Boothroyd Primary Academy
Where we all shine brightly
2026-27

Trip overview 2026 – 2027

As part of Focus Trust's values – Care, Dare, Fair and Share – and Boothroyd's commitment to ensuring that we offer our children an ambitious curriculum through our wider opportunities, we want to ensure that our wider curriculum offers a variety of experiences to further develop learning. We understand that our children, as new learners, may not have previous experiences or knowledge when learning a topic for the first time. We therefore endeavour to give our children the opportunities to see, feel, touch, experience, witness and read about new learning, which will enable them to form foundations on which they can build new knowledge or build on existing understanding.

Our wider curriculum opportunities support the teaching of individual subjects but they also widen our children's aspirations and horizons, which impacts upon improving our HEART values, motivation and an enjoyment of learning. We embrace the opportunities to show our children what is 'out there' through great visits and visitors. We value working with our local communities to make our enrichment even more powerful and allowing our children the opportunities to have experiences or visitors that are relatable to them – which in turn inspires our children.

The activities below are by no means our full offer. We continually look for opportunities, throughout the year, that will enhance our children's learning further.

	Autumn	Spring	Summer
EYFS	***Local Walk*** PD passport activities x2	PD passport activities x2	***Swithen's Farm*** ***Crow Nest Park*** PD passport activities x2
Year 1	***Dewsbury – Local Walk*** ***Christmas Panto*** PD passport activities x2	***Abbey House*** PD passport activities x2	PD passport activities x2
